

Amazing Animals

Teacher Time-Savers

About The Author

Meet the creator of the TreasureTrove websites! Based in Ottawa, Ontario, Canada, *Karen Walkowiak* has taught most grades from Kindergarten to Grade Eight. She has spent her professional career collaborating and planning with other educators, participating in workshops, sharing classroom tips and ideas and creating online features that encourage the use of technology in the classroom.

Karen is particularly interested in *how best* to implement the use of technology in the classroom and in facilitating opportunities for her students to both create and contribute to global learning. Together with her students, Karen has created several multi-disciplinary online features that are intended to be applicable to various grade or division levels.

Karen has a great deal of experience writing curriculum. Among her achievements, she was a curriculum researcher, contributor to, and writer for The NECTAR Foundation's ScienceTrek and LanguageTrek software programs. She is also a past Franklin Science Institute Online Fellow.
