

*Dear Parents:*

In celebration of the Advent season, your child has chosen to participate in our class Advent Box activity. An Advent Box has been prepared that contains a few simple activities that will provide you with a special opportunity to celebrate the season of Advent at home.

*How It Works:*

Each child brings the Advent box home, keeping it for an evening and returning it *the following day* to school so that it can be passed on to the next child's family in our class. The process requires about 10 minutes.

*The Activities:*

Enclosed in the Advent box are:

- | A small artificial wreath;
- | A prayer card for each week of the Advent season;
- | Four candles to place around the outside of the wreath, to be lit prior to reading the prayer for the week;
- | A story (The Stranger Child) to read with your child.

Thank-you for participating in this activity!

*Best Wishes,*
