

ACTS OF KINDNESS

Teacher Directions:

1. Decorate a shoe box.
2. Label it as the class "*Acts of Kindness*" box.
3. Brainstorm examples of "*Acts of Kindness*" with your class.
4. Students complete "*Acts of Kindness*" coupons (at their own leisure throughout the week) and place in the box.
5. Each week, draw a different name from the box. That student would receive an "*Acts of Kindness*" Certificate to acknowledge their goodwill. [Be sure to use a class list to track the students who have received certificates.]
