

Star of the Week

Every two weeks of the school year, one of the students in our class will be featured as the "*Student of the Week*". As the Student of the Week, he/she is responsible for creating a display in the classroom that can include the following: pictures, baby memorabilia, special moments, sentimental objects, etc. The *Student of the Week* also completes the attached assignment. At some point during the week, students will be invited to make a presentation and share this information with the class. There is also the opportunity to respond to questions from classmates. Student work and pictures are mounted on the *Star of the Week* bulletin board for display.
