Dear Parents,

*We will be . . .*

devoting considerable time to getting to know one another during our first weeks of school.

In celebration of our Friendship theme, *each child is asked . . .*

to bring to school, a *plain T-shirt* (preferably white), for Sept. 28th, so that he/she can decorate it with favourite signs and symbols using fabric crayons. Once the T-shirts are completed, the children will have an opportunity to share their new "ME" T-shirts with the class and wear them to our Thanksgiving celebration.

Thank-you for your support,

K. Walkowiak
