Dear Parents,

Today in class, we are beginning our formal Spelling Program. Each week, we will be focusing on spelling patterns and following a similar routine. The routine consists of:

- Monday: Introduce Spelling Words;
Print the words.
- Tuesday: Word Wizard Activity (e.g. classification of words by initial consonants, building new words, etc.)
- Wednesday: Zoom In On Words (e.g. creating word pictures, unscrambling, sentence construction, etc.)
*Send Spelling List home (Home Connection Activity)
- Thursday: Pre-test
- Friday: Spelling Dictation

We are hoping to involve you at home through the Home Connection Activity. It would be of great assistance to the children if, each week, they were to Regularly review the accumulated Word Banks.

Thank-you for your support!
